

ROLE: Graphic Designer

OVERVIEW

Graphic Designers create visual concepts that communicate ideas, strengthen brand identity, and engage audiences across digital and print platforms. They work on branding, advertising, packaging, social media creatives, marketing collateral, websites, and user experiences.

CORE RESPONSIBILITIES

- Create visually compelling designs for digital and print media
- Design logos, brand assets, brochures, advertisements, and social media creatives
- Develop and maintain brand identity guidelines
- Collaborate with marketing, content, and product teams
- Present design concepts and incorporate stakeholder feedback
- Ensure consistency across all visual communication channels

GRAPHIC DESIGN FUNDAMENTALS

- Visual hierarchy and composition
- Color theory and psychology
- Layout and grid systems
- Design principles and aesthetics
- Image editing and manipulation
- Creative problem-solving and storytelling

BRANDING & VISUAL IDENTITY

- Logo design and brand development
- Brand guidelines creation
- Packaging design
- Marketing and promotional materials
- Print advertising and campaign assets
- Consistent visual identity across platforms

TYPOGRAPHY

- Font selection and pairing
- Readability and accessibility
- Hierarchy and spacing
- Print and digital typography standards
- Visual balance through typography

UI/UX DESIGN (PREFERRED SKILL)

- Wireframing and mockups
- User-centered design principles
- Interface design fundamentals
- Design systems and components
- Collaboration with developers and product teams

TOOLS AND TECHNOLOGY

- Adobe Photoshop
- Adobe Illustrator
- Adobe InDesign
- Figma
- Canva
- Adobe Creative Cloud ecosystem
- Basic motion graphics tools (advantageous)

SOFT SKILLS

- Creativity and innovation
- Time management and deadline handling
- Communication and presentation skills
- Attention to detail
- Team collaboration and adaptability
- Ability to work independently and within cross-functional teams

ENTRY LEVEL EXPECTATIONS (0–3 YEARS)

- Create marketing and social media creatives
- Assist in branding and campaign design projects
- Work with established design systems and guidelines
- Understand print and digital production requirements
- Build a strong professional portfolio

INTERMEDIATE LEVEL EXPECTATIONS (3–5 YEARS)

- Independently manage design projects
- Lead branding initiatives
- Present concepts to clients and stakeholders
- Mentor junior designers
- Collaborate with marketing and product teams

CERTIFICATIONS & LEARNING

- Adobe Certified Professional Certifications
- UI/UX Design Certifications
- Branding and Visual Communication Courses
- Figma Professional Courses
