

ROLE: HR Executive

OVERVIEW

HR Executives support the complete employee lifecycle from recruitment and onboarding to performance management, employee engagement, payroll coordination, compliance, and exit processes. They act as the operational backbone of the Human Resources function and help organizations attract, manage, develop, and retain talent.

CORE RESPONSIBILITIES

- End-to-end recruitment including sourcing, screening, interview coordination, offer management, and onboarding
- Employee record management, attendance tracking, leave administration, and documentation
- Payroll coordination and statutory compliance support (PF, ESI, PT, etc.)
- Employee engagement, grievance handling, and lifecycle management
- Job Description (JD), Key Result Area (KRA), and KPI management
- Performance appraisal and evaluation process support
- HR reporting, MIS preparation, and workforce data management
- Office administration, vendor coordination, and asset management

TALENT ACQUISITION & RECRUITMENT

- Candidate sourcing through job portals, referrals, and social platforms
- Resume screening and shortlisting
- Applicant Tracking System (ATS) management
- Interview scheduling and coordination
- Offer generation and candidate communication
- Campus hiring and internship recruitment support
- Onboarding documentation and joining formalities

HR OPERATIONS

- Maintaining employee databases and personnel records
- Attendance and leave management systems
- HR policy implementation and communication
- Employee lifecycle administration
- Exit interviews and separation processes
- Document verification and compliance checks

PERFORMANCE MANAGEMENT

- Supporting appraisal cycles and performance reviews
- Managing KRAs and KPIs
- Performance improvement tracking
- Incentive and reward program administration
- Employee development and training coordination

EMPLOYEE RELATIONS

- Employee engagement initiatives
- Conflict resolution and grievance handling
- Communication between management and employees
- Employee wellness and retention initiatives
- Supporting positive workplace culture

TOOLS AND TECHNOLOGY

- MS Excel (Pivot Tables, VLOOKUP, Reporting)
